PUBLIC RELEASE

John Glenn
High School

East Muskingum Schools announced its 2020-2021 program year policy for free and reduced price meals for students unable to pay the full price of meals served under the National School Lunch and School Breakfast program. Each school office and the district office has a copy of the policy, which may be reviewed by any interested party.

The Federal Income Eligibility Guidelines will be used to determine eligibility. Children from families whose annual income is at or below the federal guidelines are eligible for free and reduced-price meals.

Application forms will be distributed to all students in the district. To apply for free and reduced-price benefits, households should complete an application and return to the building where your oldest child attends. Additional applications are available at the principal's office in each school. A complete application is required. Households which currently receive Special Nutrition Assistance Program Benefits (SNAP, formally known as food stamps) or Ohio Works First (OWF) funds for a child must provide the child's name, the SNAP or OWF case number and signature of an adult household member on the application. Households that do not receive SNAP or OWF funds must provide the names of all household members, the last four digits of the Social Security Number of the adult signing the application or state "none" if the adult does not have a Social Security Number, the amount and source of income received by each household member (state the monthly income) and the signature of an adult household member. If any of this information is missing, the school cannot process the application.

Applications are being made in connection with the receipt of federal funds. Schools or other officials may check the information on the application at any time during the school year. Deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and federal laws.

Under the provision of the policy, Anne Troendly, Food Service Coordinator, will review applications and determine eligibility. If a parent or guardian disagrees with the decision on the application or the result of verification, the decision may be discussed with the determining official on an informal basis. If a formal appeal is desired, the household has the right to a fair hearing. A fair hearing can be requested either orally or in writing to Anne Troendly, Food Service Coordinator, 13505 John Glenn School Road, New Concord, Ohio 43762, 740-826-7655.

The policy contains an outline of the hearing procedure.

Households may apply for benefits any time during the school year. If a household is not currently eligible and if the household size increases or income decreases because of unemployment or other reasons, the family should contact the school to file a new application.
